ZG INTRODUCTION

OEM/ODM SERVICES

Our Advantages

ZG Intelligent Manufacturing System

Independent R&D Center

The Research & Development team possesses more than 100 engineers proficient in electronics, software systems and mechanism and it keeps working on new solutions, it is the power that pushes ZG forward and guarantees ZG's capability in offering customized solutions to Cliests.

Imported Equipments

Most advanced equipments of the industry ensure the stable productivity and precision technology

Productivity

300,000+

units/year

Production line

Metal plate cutting, bending, welding, painting, foaming, assembling are all proceed at ZG factory.
